

TOWN OF LAFLECHE

POLICY 2-03

BEING A RAW WATER POLICY

The Council of the Town of Lafleche, in the Province of Saskatchewan, enacts as follows:

1. That the Raw Water Pipeline supplying untreated water to ratepayers, for lawn and garden use, be turned on any time after April 30th each year as weather permits.
2. That the Raw Water Pipeline supplying untreated water to ratepayers for, lawn and garden use, may be turned off any time after the September long weekend, pending weather conditions, but not later than October 1st in a given year.
3. The schedule for raw water will be as follows:
Odd calendar days – all properties north of 4th Ave.
Even calendar days – all properties south of 4th Ave.
4. In the event that a ratepayer uses raw water services on days not supported by the above schedule and is reported to the Administrator, the Administrator shall:
 - a) Send a letter to the ratepayer indicating that they were reported as using the raw water service on their unscheduled day and remind of the schedule;
 - b) If the ratepayer continues to use the raw water service on their unscheduled day that a fifty dollar (\$50) fine will be put on the next utility billing. If not paid by December 31st of any given year, the fine will be applied to that property's taxes;
 - c) If the ratepayer is still not complying with the above, an employee of the Town will shut the ratepayer's raw water service off for one calendar year.
5. In the event that the raw water pond becomes too low and thus has to be rationed, the following restrictions schedule will be implemented:
 - a) Raw water will be turned on at 4:30 p.m., Monday to Friday, for watering to commence all evening and night;
 - b) Raw water will be turned off at 8:00 a.m., Monday to Friday, to restrict watering during the heat of the day;
 - c) Raw water will be turned Saturday and Sunday;
 - d) Raw water restriction schedule will follow calendar days as noted in part 3. of this policy.

This policy was first adopted on the 11th day of September, 2003 and further amended and approved on the 13th day of August, 2015 and on July 8, 2021.
