

TOWN OF LAFLECHE

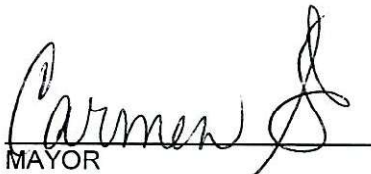

POLICY 36-16 BEING A POLICY FOR HOME BASED BUSINESSES

This policy sets out the guidelines for operating a home-based business in the Town of Lafleche.

Conditions:

1. A home-based business is defined where one inhabitant of the residence carries on an occupation, trade, profession or craft conducted entirely within a residential building.
2. A home-based business will not include leasing or renting space within a residential building, employing more than the inhabitants of the residence, or generating revenue from others who are conducting an occupation, trade, profession or craft. The assessment shall become commercial when any or all of these specifications are met.
3. Having more than one home-based business within a residence shall result in the assessment to become commercial.

This policy be adopted on the 12th day of December, 2016.
